About Us

At Windermere, we understand the importance of family and giving back to the communities where we live and serve. That's why we created the Windermere Foundation, a 501(C) (3) non-profit organization that has supported low-income and homeless families throughout the Western U.S. since 1989. For the past 36 years, a portion of every Windermere agent's commission has been donated to the Windermere Foundation. This, combined with additional donations from our agents, franchise owners, staff, and public supporters, has allowed us to give more than \$56 million to hundreds of organizations that support those who need our help most.

Local Impact

In 2024, Windermere agents throughout our network stepped up for their neighbors in need by raising money for the Windermere Foundation, which was then donated to organizations that support low-income and homeless families in their communities. Here are some examples of this local impact last year.

Alameda, CA

Members of the Windermere Bay Area Properties office in Alameda made a generous \$10,176 donation, benefitting seven local non-profit organizations in Alameda County. This contribution has made a meaningful impact, supporting programs that serve children, families, seniors, and underserved populations within the community.

Fort Collins, CO

The Windermere Northern Colorado team hosted their 7th annual Tailgate Party, raising nearly \$2,000 for Stepping Stones of Windsor and Neighbor to Neighbor, two local organizations dedicated to uplifting the community. They also raised over \$34,000 for the Windermere Foundation at their third annual Golf Luau.

Coeur d'Alene, ID

Agents from Windermere Coeur d'Alene Realty transformed their office into a festive mini-golf course for the inaugural "Jingle Balls Down the Halls" Putt-Putt event. The fundraiser brought together 42 golfers, raising over \$10,000 and collecting a room full of toys to benefit Toys for Tots and the Windermere Foundation.

Lewiston, ID

Agents and staff members of the Windermere Lewiston office provided a \$1,073 donation to Family Promises of Lewis-Clark Valley, supporting their vital work in helping local families transition from homelessness to stability through housing, employment, and self-sufficiency programs.

Missoula, MT

The Windermere Missoula office came together to support their community by donating \$895 each to Youth Homes and Homeward. They also donated \$412 to Corvallis Middle School, providing funding for services and programs that benefit local youth and families.

Portland, OR

Since 2002, Windermere Realty Trust offices in Portland have led the Share the Warmth drive in partnership with Transition Projects, a local non-profit organization that provides support for individuals and families moving from homelessness to housing. Over the past 22 years, the drive has grown to include more than 30 offices across Oregon and Southwest Washington, collecting tens of thousands of warm winter items to help those in need during the colder months.

Southern Oregon

Windermere Southern Oregon's Grants Pass and Rogue River offices presented a \$10,300 donation check from the Windermere Foundation to the Boys & Girls Clubs of the Rogue Valley. The funds supported the launch of the new "Clubcast" Podcast Program, which helps equip teens with valuable skills needed for future success.

Utah

Volunteers from the Windermere offices in Salt Lake City and Park City, Utah organized their inaugural Windermere Foundation Golf Tournament, uniting the real estate community to support families and children experiencing homelessness. With the help of generous sponsors and a dedicated team, the event raised \$14,500 for the Windermere Foundation.

Seattle, WA

The Windermere Mount Baker office hosted its third annual Bingo Night, this time with an Oktoberfest theme, bringing together over 100 attendees and raising nearly \$18,000 to benefit three local organizations, including Rainier Valley Food Bank, Wellspring Family Services, and Benefits Law Center.

Vancouver, WA

The Windermere Northwest Living team hosted their 11th annual gala for the Children's Justice Center, raising a record-breaking \$301,000 in 2024. Since its inception in 2013, the gala has raised a remarkable \$2,453,958 to support children in need across the community.

Comedy Night

Bringing Laughter and Raising Funds in Portland and Seattle

For the past 23 years, the Windermere Foundation has proudly sponsored the Steve Allen Comedy Show in Portland, OR, benefitting New Avenues for Youth, a nonprofit dedicated to preventing youth homelessness through housing, counseling, job training, and more. This year's event featured comedian and *Saturday Night Live* cast member Michael Che and raised over \$600,000, bringing the event's total impact to more than \$8.6 million since 2001.

Following the success of last year's debut, the second annual Windermere Foundation Comedy Event in Seattle brought together over 400 guests for an evening filled with laughter and generosity. Held at Fremont Studios, the night featured heartfelt testimonials from local nonprofits and a standout performance by comedic legend Jason Alexander.

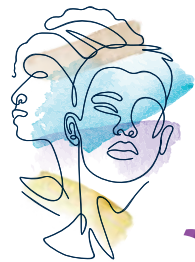

Together, the Portland and Seattle events raised a combined \$1.14 million in 2024, directly supporting organizations that serve local low-income and homeless youth and families.

Additional Community Impact

Aspire Internship

Formed in partnership with the University of Washington College of Built Environments, Windermere's Aspire internship offers financial support, mentoring, and skill-building to students from historically underrepresented groups. In 2024, 12 University of Washington students participated in the program over a 5-week period. Hosted by offices of Windermere and its ancillary partners, the interns learned about different aspects of the real estate profession, then worked together to present their ideas for improved housing solutions.

WIN Scholarship Program

BUILDING A MORE DIVERSE
AGENT COMMUNITY

SAM SMITH "Hi Neighbor" HOMEOWNERSHIP FUND

Sam Smith Homeownership Fund

Launched in early 2021 through our partnership with non-profit lender HomeSight, the Sam Smith Homeownership Fund is designed to help low-to-moderate-income Black/African American first-time home buyers who have been historically underserved by traditional lenders. In 2024, the Windermere Foundation funded \$160,000 in loans for the Sam Smith fund, helping several Black/African American buyers in Washington State enter into homeownership for the first time. Since the fund was established in 2021, Windermere has funded \$344,000 in loans and the total value of real estate purchased to date is \$2.55 million – a legacy of wealth that will benefit generations of families.

WIN Scholarship Program

Windermere created the WIN Scholarship program in 2022 after recognizing the need to build a more diverse company that better reflects the communities we serve. Funded in part by the Windermere Foundation and Windermere franchise owners, the goal of this program is to increase support for new BIPOC real estate agents by subsidizing the costs related to building a successful real estate career. In 2024, we awarded 8 scholarships, bringing the total number of WIN Scholarship recipients to 18 since its inception.

Community Service Day

Every year, Windermere agents and staff from our 300+ offices dedicate a day of work to those in need. From homeless shelters to playgrounds, food banks, and more, we join together to support a wide variety of community-based organizations through hands-on improvement projects. With more than two million hours of community service logged to date, we're proud to continue this tradition of giving back to the communities where our Windermere teams live and work.

Last year the Windermere Foundation provided funding to hundreds of organizations throughout the Western U.S., including homeless shelters, food banks, schools, hospitals, community centers, and more.

THANK YOU

On behalf of the Windermere Foundation,
thank you for your continued support.

Because of your generosity, we are able to
fund eviction prevention, ensure families
have enough food to eat, and provide
emergency assistance to those in need.
Together, we are making a difference in the
lives of families in our local communities.

The Windermere Foundation is always
striving to deepen the impact in our
communities. You can help us make
a difference by donating today.
